

SFX HUSKIES TRAVEL BASEBALL

During the SFX Player Rating dates, our Travel Team coaches will be running the drills which we use to rate each player. They will also rate and invite players that may want to play on our competitive travel teams... **THE HUSKIES!!!**

What is the SFX Huskies Travel Baseball Program about?

- We are a competitive Travel/Tournament program with teams ranging in age from 7 to 15.
- Two of the essential features of the Huskies Travel program are the high-level of competition and length of season. (*The number of games played will vary from 40 to 90, depending on the age division of the team*)
- Travel/Sandlot baseball **requires a high-level of commitment**. The season typically starts with winter workouts in January, with some teams playing until the fall.
- There is also a significant financial responsibility for the parents as well, since more games means more cost for equipment, uniforms, league fees, umpire fees, etc...
- Travel teams are typically created through tryouts, and if a player is chosen, both the player and the parents are required to read and sign a player/parent contract, which outlines their responsibilities.
- The SFX HUSKIES were born in 2003. In the short period of time that Chris Rios has been Travel team director, our teams have reached great levels of success! Our players proudly wear the HUSKIES uniform, and excel in the following leagues:

Parade Grounds League, South Brooklyn Baseball League, KIWANIS League, NY Travel Ball League, Brooklyn Cardinals League, and PARKVILLE League

We also have several league championships to our credit!

- We regularly face other "Travel Teams" from all over Brooklyn, Queens, and Manhattan. We also play in highly competitive tournaments, such as:
 - The Baseball Heaven Wood Bat Championship
 - NJBL Memorial Day Invitational
 - NYTB Pre-Season Classic, etc...
- All players receive instruction from experienced, qualified, & **CAL RIPKEN / BABE RUTH LEAGUE CERTIFIED** coaches.
- More details will be available during tryouts and through email: huskies2k3@aol.com
